

LAETITIA REIMANN

BRANCH DIRECTOR FOR FRENCH-SPEAKING SWITZERLAND

We are pleased to announce that Ms Laetitia Reimann has been appointed Branch Director for French-speaking Switzerland.

Ms Reimann has more than ten years of experience at the company. She has worked in various departments—including Maintenance, Aftersales, Works, Administration, Human Resources, Quality—and has acquired solid expertise over the years.

Ms Reimann will assume her new role in collaboration with Mr Pierre Descloux, Dipan's Chief Executive Officer and Chairman.

She is available to help with any issues, especially those pertaining to roll-out and support of our new sanitary risk management software, "HydroDiag".

We wish her great success in her new position!
